

Climate Action Network Europe is looking for a

Campaigns and Mobilisation Network Coordinator - Funding Fairer Futures

Climate Action Network (CAN) Europe is Europe's leading NGO coalition fighting dangerous climate change. We are a unique network, in which environmental and development organisations work together to issue joint lobby campaigns and maximise their impact. With over **200 member organisations** active in **40 European countries**, representing **over 1,700 NGOs** and **more than 40 million citizens**, CAN Europe promotes sustainable climate, energy and development policies throughout Europe.

CAN Europe is currently seeking an experienced and dynamic Campaigns and Mobilisation Network Coordinator who can deliver Campaigning, Training and Mobilisation coordination under a specific EU funded project (Funding Fairer Futures), connecting it to the wider CAN Europe work and strategy, through intersectional and climate justice lens.

The DEAR project 'Funding Fairer Futures' will bring together a consortium to broaden engagement and empowerment for inclusive and gender-transformative climate justice in Europe and beyond. The project aims to drive deeper engagement in our work through direct funding, and capacity building including organisational development, joint and independent communication, and campaign and mobilisation work. This work will be channeled through the respective networks of the consortium (all engaged CAN Europe members) down to grassroots organisations and movements emphasizing the need to properly engage the Network in the Funding Fairer Futures Project and ensure the project serves wider CAN Europe's objectives and very particularly the advancement of our Vision and Strategy ([here](#)).

This position will offer the successful candidate an opportunity to be at the center of the largest movement for global change that will affect people and the planet for centuries to come. The Campaigns and Mobilisation Network Coordinator -Funding Fairer Futures- will play an important and traversal role in CAN Europe's team.

Applicants should be well experienced in co-designing and delivering European-distributed campaigns that bring together NGOs and grassroots -including at the national/local level-, and in strategizing around mobilisation. They should also bring along an intersectional lens into their way of working, and feel comfortable and knowledgeable in operating in a climate justice framework.

Required Educational/professional qualifications:

- Relevant education, training, or professional qualifications;
- Minimum 5-6 years experience in campaign coordination and delivery; particularly in EU flexible campaigns that are distributed/nuanced nationally/locally;
- Solid experience in strategy development, particularly around Campaigning and Mobilisation (street mobilisation, online mobilisation,..);
- Experience in NGO project management;
- Experience working through intersectionality, including on climate justice and decoloniality, gender justice, disability and inclusion, and youth engagement;
- Knowledge and/or experience of EU climate and energy policy and experience in EU climate and energy governance is considered an asset;
- Experience in cooperation with external project partners such as non-state actors & other stakeholders;
- Strategic thinking and long-term vision;
- Strong interpersonal, organizational, team-working, and networking skills;
- English, excellent spoken and written, an additional language is an asset;
- Management of multiple tasks including problem-solving and good communication skills;
- Team-work with people from a wide range of countries and cultures;
- Experience working with NGO's, specifically in a network organisation is considered an important asset.

Main duties will include:

- Develop Campaign framework/proposals, and coordinate campaign efforts in the consortium of the Funding Fairer Futures Project, ensuring implementation of the activities;
- Contribute to the development of Capacity Building Programs under the project for CAN Europe members and allies and to the design & implementation of the sub granting mechanism to the CSO/groups;
- Leading the alignment of the project with the broader Vision and Strategy, and work programs of CAN Europe;
- Contributing to the mobilisation and movement-building efforts at CAN Europe alongside the Head of Network Development;
- Support the development of the Network beyond the project as appropriate and in coordination with the rest of the team.
